

## Approval Processes for Programs, Certificates, Emphasis Areas, Etc.

### New Graduate Degree Program

Approval times can vary depending upon meeting schedules and the timing of submissions. New PhD programs are subject to external review, which can extend MDHE approval time. Also, GFS currently does not meet over the summer, so proposals submitted in April or May will not be reviewed until the fall semester.

## New Graduate Certificate/Emphasis Area

Approval times can vary depending upon meeting schedules and the timing of submissions.

## New Graduate Minor

Approval times can vary depending upon meeting schedules and the timing of submissions.

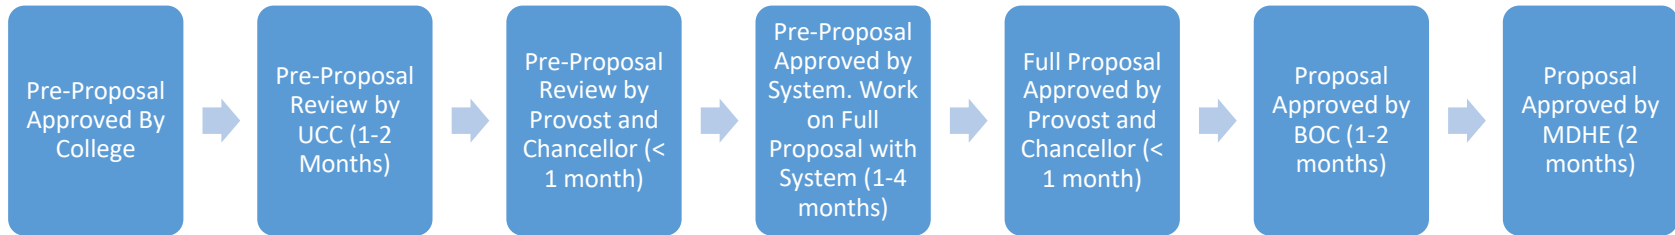

## Graduate Program Change

Approval times can vary depending upon meeting schedules and the timing of submissions.

Approval Processes for Programs, Certificates, Emphasis Areas, Etc.
